Note: Data is compiled from information reported to the Virginia Fire Incident Reporting System (VFIRS) for 2011 as of 10/21/2011. VFIRS participating fire department is any department that reported incidents to VFIRS for 2011. VFIRS Population Protected is based on each locality's VFIRS participation and census population and represents the percentage of Virginia's population that is covered by the reporting departments.

* Greensville County does not currently have fire service in their locality. Emergency response for their area is handled by Jarrett Vol. Fire Dept. (FDID 18301) and Emporia Fire Dept. (FDID 59500).

** The City of Falls Church (FIPS 610) currently participates in VFIRS, but due to contractual arrangements with Arlington County (FIPS 013), their statistical information cannot be tabulated and, therefore, is combined with the incidents from Arlington County.
