

Fire Prevention and Safety

LESSON PLANS 6-8

A Masters of Disaster® curriculum featuring lesson plans and activities that will help students learn how to prevent fire and stay safe if a fire occurs.

The lesson plans in this book are intended for use with the *Fire Prevention and Safety Activity Sheets*.

Together, we can save a life

Acknowledgments

Funding

These materials were developed through the generous support of a “Special Fire Prevention Grant” from the U.S. Fire Administration, 2003.
