

Commonwealth of Virginia
Department of Fire Programs
Aid to Localities (ATL) from the Commonwealth's Fire Programs Fund
Fiscal Year 2002 Allocations

Abstract from 38.2-401 Code of Virginia - "Fire Programs Fund"

B. After reserving funds for the Fire Services Grant Program and Dry Fire Hydrant Grant Program pursuant to subsection D, **seventy-five percent of the remaining moneys available for allocation from the Fund shall be allocated to the several counties, cities and towns of the Commonwealth** providing fire service operations to be used for the improvement of volunteer and career fire services in each of the receiving localities. Funds allocated to the counties, cities and towns pursuant to this subsection shall not be used directly or indirectly to supplant or replace any other funds appropriated by the counties, cities and towns for fire service operations. Such funds shall be used solely for the purposes of training volunteer or career firefighting personnel in each of the receiving localities; funding fire prevention and public safety education programs; constructing, improving and expanding regional or local fire service training facilities; purchasing emergency medical care and equipment for fire personnel; payment of personnel costs related to fire and medical training for fire personnel; or for purchasing personal protective equipment, vehicles, equipment and supplies for use in the receiving locality specifically for fire service purposes. Notwithstanding any other provision of the Code, when localities use such funds to construct, improve or expand fire service training facilities, fire-related training provided at such training facilities shall be by instructors certified or approved according to policies developed by the Virginia Fire Services Board. Distribution of this seventy-five percent of the Fund shall be made on the basis of population as provided for in §§ [4.1-116](#) and [4.1-117](#); however, no county or city eligible for such funds shall receive less than \$10,000, nor eligible town less than \$4,000. In order to remain eligible for such funds, each receiving locality shall report annually to the Department on the use of the funds allocated to it for the previous year and shall provide a completed Fire Programs Fund Disbursement Agreement form. Each receiving locality shall be responsible for certifying the proper use of the funds. If, at the end of any annual reporting period, a satisfactory report and a completed agreement form have not been submitted by a receiving locality, any funds due to that locality for the next year shall not be retained. Such funds shall be added to the seventy-five percent of the Fund allocated to the counties, cities, and towns of the Commonwealth for improvement of fire services in localities.

Source URL: <http://leg1.state.va.us/cgi-bin/legp504.exe?000+cod+38.2-401> as of August 2001 with **highlighting** added by Agency.

IMPORTANT Reminder – Under provisions of the *Code of Virginia*, jurisdictions have until **June 30, 2003** :: 12:00m to collect their FY-2002 ATL allocation.

FY-2002 Summary Data:

Total Allocations = **\$10,277,262.90** Jurisdictional Count = **324** Population = **7,078,515 (U.S. Census)**

Notes:

- A.** Commonwealth Fiscal Periods: July 1st through June 30th; each numbered by the year in which they end – i.e., FY-2002 = July 1, 2001 -through- June 30, 2002.
- B.** With rare exception, all ATL disbursements are made by the Commonwealth's Department of Accounts (DOA) via an Electronic Funds Transfer (EFT) to the "receiving locality." Moneys are only transferred to one of the specifically identified jurisdictions, never directly to a fire service organization/department; such locality is therefore solely accountable consistent with the reporting requirements of the *CODE*.
- C.** A *blank* under "Dates Moneys Were Transferred" indicates that the jurisdiction in question has not yet collected it's FY-2002 allocation.
- D.** "Towns" as used in *38.2-401COV* refers only to incorporated towns as listed annually by the Secretary of the Commonwealth.
- E.** From the FY-2001 Legislative session a statute-of-limitation was enacted. The "Total Allocations" figure posted above includes some \$42,000 in monies carried forward as uncollected from FY-2000.
- F.** Population figures are based on 2000 census data as recorded by the U.S. Bureau of the Census and reported to the Agency by DOA. (For FY-2002, this was the latest data available.)
- G.** For FY-2002 the minimum ATL allocations have been raised
to **\$6,000 for Towns -and- \$12,000 for Cities & Counties.**
