Dear Mr. Burch:

The Middlesex County Board of Supervisors respectfully requests the Virginia Fire Services Board undertake a study of Middlesex County and its fire and emergency services. The Board of Supervisors approved this action at their meeting today following a unanimous recommendation from our Emergency Services Committee.

We look forward to working with you and the VFSB in the near future. It is my understanding that there is an opportunity for this study to be performed this fall. Please do not hesitate to be in contact me at your earliest convenience so that we may discuss your requirements and how we may be of assistance.

Sincerely,

Charles M. Culley, Jr.
