Dear Ms. Pittinger,

At the regular meeting of the Augusta County Board of Supervisors held November 10, 2010, the Board of Supervisors voted unanimously to request a study of Augusta County Fire and Rescue services by Virginia Fire Services Board. We would appreciate your consideration at the next Fire Services Board meeting held in December.

We would like the board to discuss specific items; personnel - career/ volunteer, organizational development, fire-rescue operations, and central purchasing.

Augusta County currently has a population of 72,000 served by 15 fire departments and 8 rescue companies. We cover a very diverse population spread over 968 square miles. Your consideration would be greatly appreciated.

If you have any questions or require further information please feel free to contact Fire Chief Carson Holloway's office at (540)245-5624.

Sincerely,

Patrick J. Coffield, County Administrator
