

VATF-2 20th Annual DHS FEMA Equivalent Structural Collapse Technician Course Scholarship

Fire and EMS Training Center
Virginia Beach, VA

Apply Today! Deadline: Friday, August 17th

The VDFP is accepting applications for scholarships to attend the VATF-2 20th Annual DHS FEMA Equivalent Structural Collapse Specialist Course

Applicants must be a member in good standing with a Local, Regional or Divisional Technical Rescue Team. The applicant must have Operations/Level 1 certification at a minimum in all core VDFP technical rescue courses (Rope, Confined-Space, Trench and Vehicle), however, applicants with Technician/Level 2 will be given priority during selection.

A letter of recommendation is also required from the applicants department head or team leader, provided on departmental letterhead.

Please submit application and letter of recommendation to Jamey Brads.

Candidates must submit a separate VATF-2 application for the course in order to be considered for the scholarship. [Click here for the VATF-2 application.](#)

Scholarship includes course tuition (valued at \$1795.00) and a daily lunch. Transportation, lodging, and additional meals are not covered.

Scholarship is reimbursable. Applicants must provide proof of payment and certificate of course completion in order to receive reimbursement, which will be distributed to the applicant's jurisdiction.

Please email or fax course application and letter of recommendation to Jamey Brads, Division Chief of Heavy Technical Rescue at:
